The University athletic programme for the 1964-65 season was more extensive than any other year and equally as successful. Statistics show that 260 were active in 18 intercollegiate sports. The programme offered to the student body included some 44 different activities on the intercollegiate, intramural and recreational levels of competition.

Sir George Williams University was represented in 15 OSLAA activities. There was a total of 14 sports offered to the student body in the intramural programme, a total of 12 activities on the recreational level. Co-recreational activities numbered 11. The women's athletic programme offered 8 activities.

The intercollegiate teams played in a total of 175 games or tournaments and travelled a total of 55,000 miles in the United States and Canada.

The teams that represented Sir George in athletic competition in 1964-65 have continued to further the excellent reputation enjoyed by Georgians in the past. Much of the credit for this must be given to the fine coaching staff who contribute time and effort to make the programme a worthwhile one and an excellent educational experience for the students who compete in the programme. The faculty and administration are also to be commended for their excellent support. The students are to be congratulated on their accomplishments and for their contribution to the University.

INTERCOLLEGIATE SPORTS

BADMINTON - Gary Killens -- Supervisor

The badminton programme was conducted on an intramural basis this year. The University did not sponsor a team in the Murray Badminton League this year, nor in the OSLAA. Tournaments were run off in order to determine the male and female singles champions. Interest in badminton in the OSLAA is developing and there is promise of an organized badminton league within the Association for the 1965-66 season.

BASKETBALL - J/V -- Coach George Lecker

The J/Vs competed in the CIBL and ended the season on a losing note, being defeated by McGill in a playoff series for the J/V CIBL title. A home and home series with Wm. Miner Institute in Chazy, Carleton University and Plattsburgh were high-lights of their season.

BASKETBALL - VARSITY -- Coach Al Hirsch

The varsity Georgians began the season with seven rookies and four returning lettermen. The team competed in the OSLAA. A Sir George-sponsored basketball clinic and tournament was held in Montreal on December 27-28 with Massachusetts Institute of Technology, Rensselaer Polytechnic Institute, Middlebury College, and Plattsburgh State Teachers College as the participating teams. Attendance at the coaching clinic was poor, while attendance at the games was excellent considering the time of the year. We hope this will continue to be an annual tournament. A very fine trophy has been made available for the tournament. The Georgians competed in the Acadia University

Invitational Tournament in November in Halifax. The CIAU now sponsors a Canadian College basketball playoff which should continue to promote interest in the basketball programme. Sir George Williams University was fourth in the OSLAA and lost the playoff.

BASKETBALL - WOMEN -- Coach Sally Kemp

The team played in the WOBL. Team members are from the University Day and Evening divisions, from the Business School and from the School of Retailing. The team played a home and home series with Carleton University and in Sports Day competitions at McGill University and Macdonald College, as well as sponsoring a Georgian Sports Day. The following teams were hosted by Sir George: University of Toronto, YWCA, University of Waterloo and Macdonald College.

CURLING - Advisor -- A. Douglas Insleay

The Curling Club continued to function well after re-organization through the efforts of the Athletics Council in 1963. The Club competed in the OSLAA and many local and out-of-town matches. The interest developed last season was furthered and this enthusiasm augers well for the future of curling at Sir George. The team was second in the OSLAA Bonspiel and won nine Bonspiels in college and local competitions.

GOLF - Coach Magnus Flynn

The golf team placed second in the OSLAA championship in a meet hosted by Carleton at the Rideau Golf and Country Club. The Georgians won the Sir George Williams University Intercollegiate International Invitational Golf Tournament. This was the third invitational tournament hosted by Sir George. We hope to build this into a four

American and four Canadian university team tournament hosted on an annual invitational basis. A trophy donated by Mr. R. Lunney is presented to the tournament winner. The tournament was held at the Lachute Golf and Country Club for the third successive year. Plattsburgh, Vermont, Carleton, Loyola and Sir George were the universities represented.

HARRIER - Coach Warren Sutton

The University entered a team in the OSLAA harrier competition for the second time. The team gained valuable experience in five local meets. Interest in harrier should be maintained at a good level with the enthusiasm developed. There are more than enough meets which the team can enter which will assure a good competitive season. Harrier was conducted on a National Championship basis by the CIAU, again with the National meet at Guelph.

HOCKEY - Coach Paul Arsenault

The Sir George Williams Georgians ended in second place in OSLAA and won out in a playoff with Loyola, Carleton and the University of Ottawa. Most of the members should be returning next season so that the team should be stronger with more experienced personnel. Three seniors graduate in 1965. The appointment of an Assistant in the athletic office has continued to consolidate and co-ordinate the University hockey programme. Three American exhibition games were scheduled as well as OSLAA and local exhibition games. Interest is growing and student spectator support has increased greatly. The schedule will be restricted to OSLAA, CIAU and three American exhibition games next

season. The Georgians were defeated by Laurentian University and St. Dunstan's University in the CIAU playoffs in Winnipeg. The season ended with an overall record of 15 wins and 6 losses and 3 ties and rated number four in Canada. Alex Matthew was awarded the Rookie of the Year Award, and Trevor Kerr the Most Valuable Player Award as well as the A. Smith Memorial trophy.

RIFLERY - Advisor -- A. Douglas Insleay

The Rifle Club functioned for approximately one month in the autumn. The facilities on board H.M.C.S. Donnacona were not available for the use of our Club. Interest waned when the activity was moved to the Black Watch Armoury and as a result of this lack of interest, the Club ceased to function.

SKIING - Coach Ron Bower

Interest in skiing was at a high all year. The team was entered in the OSLAA Alpine and Nordic Meets. It is hoped that with the ground work laid during the past three years that skiing will continue to grow as an intercollegiate activity at Sir George.

SKIING - WOMEN -- Coach Ron Bower

Sir George was represented for the second time in the Women's Intercollegiate Athletic Union Ski Meet hosted by McGill University at St. Sauveur, Quebec. Five young ladies were entered in slalom events. The further interest developed this year will mean annual participation in this event.

SOCCER - Coach Gerry Stachrowski

The Georgians won the OSLAA soccer league title with an 8 - 0 won lost record. Interest is very high and spirit excellent. A very large turn-out for the team is always assured with the large number of overseas students at Sir George.

SQUASH

There was not enough interest in squash to permit competition in the "C" Section of the Montreal Squash League. Practice matches and an intramural tournament were held in the Downtown Y. The interest in competitive squash at Sir George was relatively poor. The sport suffers from lack of adequate courts and facilities and will never develop until facilities are available. Robert Dubeau represented Sir George in the United States National Intercollegiate Squash Racquets Association Tournament.

SWIMMING - Coach Kim Helmy

The Georgians had a most successful swim season, winning three out of eight meets including the OSLAA championship. Swimming has gradually developed and is now a sound part of the University athletic programme. Dual meets have been scheduled with the University of Vermont and Norwich University for next winter in the United States. We expect to continue with an eight meet season for an additional year. We still have to contend with the awkward practice times and may have to drop this activity from our programme unless we can get improved facilities.

TENNIS - Coach Paul Arsenault

The Sir George tennis team finished third in the OSLAA tennis tournament

hosted at Sherbrooke University. Practices and tournaments were held at the Somerled (Municipal).

TENNIS - WOMEN -- Coach Paul Arsenault

This year there was a poor response to the women's tennis programme. The few women who were interested, participated in the overall intra-mural programme.

TRACK & FIELD - Coach A. Douglas Insleay

The track team competed in the OSLAA meet and placed second in the meet. Interest is growing and we now have approximately thirty students vieing for positions on the team.

TRACK - INDOOR -- Advisor A. Douglas Insleay

Interest in track & field was again reasonably high throughout the indoor season. The University was represented by four students in an indoor track meet hosted in the Maple Leaf Gardens in Toronto. One student represented the University at a meet in Winnipeg, Manitoba. The University had several entries in a McGill University meet as well as in a meet held at the Maisonneuve Sports Centre in Montreal.

VOLLEYBALL - Coach Taimo Pallandi

Sir George was entered in the OSLAA volleyball for the second season. The team did very well, placing second over the season. Immense improvement was shown by the students competing and this was mainly due to the efforts of Mr. Taimo Pallandi, Coach. There is a vast difference between recreational and competitive volleyball. The University team also competed in a local City league.

VOLLEYBALL - WOMEN

There was not enough interest to warrant sponsoring a women's volleyball team this year.

WATER POLO - Coach Michael Campbell

The water polo team competed in a three-team OSLAA league and lost to McGill and RMC in the final standings. This is the third time that Sir George has lost the OSLAA water polo championship in approximately ten seasons of play. The team competed in a six-team City league. Water polo at Sir George is seriously hampered by the lack of a pool for practices and home games. We may have to drop this activity from our programme for this reason. Mr. Michael Campbell returns to Jamaica this year and suitable, experienced coaches are difficult to find.

WRESTLING - Coach Harry Wolfson

Interest in wrestling developed in October and carried right through until the end of March. Approximately 35 students came out on a regular basis for instruction. The team competed in the Provincial Novice City Championship and Provincial Open as well as in dual meets with Wm. Miner Institute (2) in Chazy, N.Y., Potsdam State Teachers College (2), Plattsburgh State Teachers College (1), and New York State Teachers College (1). Much of the credit for the wrestling team's success must go to the coach and to Dave Filmore for their hard work. An excellent schedule of meets has been lined up for next year's season. We feel sure that wrestling will develop into one of the main athletic activities at Sir George Williams University. The usual awkward practice and facility problems hamper the wrestling programme.

SPECIAL EVENTS

Basketball Tournament and Coaches' Clinic:

Sir George sponsored a tournament and coaching clinic in Montreal. M.I.T., Middlebury College, R.P.I., Plattsburgh State Teachers College and Sir George were the five teams involved. All coaches participated in the clinic with lecture and demonstration material. Twenty-seven local and out-of-town coaches and basketball enthusiasts attended the clinic. A trophy has been purchased and M.I.T. won this for the third time. This has become an annual event. Twelve universities have contacted us re next year's tournament.

International Invitational Intercollegiate Golf Tournament:

Sir George Williams University, Plattsburgh State Teachers College, University of Montreal and Carleton University and University of Vermont took part in the tournament held at the Lachute Golf and Country Club. The trophy for the tournament, donated by Mr. R. Lunny, was won by Sir George. This was the third consecutive title for Sir George.

Awards Banquet:

Served approximately 250 students, faculty and administration, parents and guests. Mr. Gus McFarlane was the "guest speaker" and he discussed some of the advantages and disadvantages of Canada and Olympic competition. He also challenged the University and Alumni to provide physical facilities for athletics.

TEAMS COMPETED AGAINST IN THE TOTAL PROGRAMME

Royal Military College	Kingston, Ontario
College Militaire Royal	St. Jean, Quebec
Carleton University	Ottawa, Ontario
University of Ottawa	Ottawa, Ontario
Loyola College	Montreal, Quebec
